WMAT VALUES

Integrity	<p>Integrity means distinguishing right from wrong and doing the right thing. Integrity also requires courage and accountability. We deliver work of the highest quality (by our standards as well as those of our students and their families).</p> <p>We deliver what we say we will. We share our professional judgements with students and their families - even those that may be unpopular - in a manner that is both candid and respectful.</p>
Respect	<p>We respect the capacity and desire for personal growth in our students and staff. We treat people with consideration. We value ideas on their merit. We recognise that respect requires both truthfulness and empathy. We deal with one another in an open and honest way. We encourage constructive criticism. We reward performance and contribution consistent with our values. We lead by example. We thrive knowing that ours is a demanding profession. We accept this responsibility as a trust, as schools and as individuals.</p>
Diversity	<p>We strive for a diverse workplace. It is fundamental to our success that we accept, value, and integrate the contributions of people. Diversity of thought, expertise, experience, and background are important in creating an environment in which creative tensions are harnessed and new ideas emerge. We are committed to WMAT being an institution in which all individuals have an opportunity to flourish and succeed, regardless of their age, disability, ethnicity, gender, gender identity, race, religion, belief or sexual orientation.</p>
Student Achievement	<p>We measure our success by our students' success. We make all our resources available to our students and commit ourselves wholeheartedly to their success. In trade-offs between staff and a student's interest, the student comes first.</p> <p>Strategy matters. We seek competitive advantage for our students. Our approach is to consider the education agenda as a whole, the competition, and its dynamics. Valid data, rigorous analyses, external perspectives, root causes, and explicit logic serve as our foundations for objective decision-making.</p> <p>Our standards for progress and value added are extremely high. Our work helps change, as necessary, the mindset of our staff and students. We make sure we enhance student capabilities and deliver for them exceptional examination performances. We hold ourselves accountable for this.</p>
Working in Teams	<p>WMAT schools are divided into departments and teams. In these teams, staff work together in a manner that is team-oriented, constructive, and challenging. We know that teamwork is essential to the success of our students. We want to strengthen our students' capabilities and be a catalyst for change in their lives. Each student is unique, and there is seldom only one solution. We believe that breakthrough ideas often result from the work of teams seeking to creatively solve real achievement challenges.</p>
Sharing our Success	<p>We seek to extend the art and science of teaching and school leadership by generalising from our experience. We seek to have a positive and lasting impact beyond the multi academy trust domain. We believe we can contribute to the changing educational landscape, both directly through our student work and through our work with other trusts, schools and national organisations.</p>

AIMS

Our attitude to attendance is to:

"Listen, understand, empathise and support – but do not tolerate."

Consistent school attendance is vital for pupils to achieve their fullest academic potential. We recognise that poor attendance can significantly impact a child's academic progress, social interactions and self-confidence. We are committed to working with families to reduce absences and ensure good punctuality for all.

Why attendance matters

At ELPS, we closely monitor the attendance of all pupils and work with parents to ensure regular attendance. High attendance is important for the following reasons:

- For social and emotional development
- For academic progress, achievement and attainment - with the development of reading, writing, mathematics, and other curriculum subjects
- For safeguarding
- For social, emotional and mental wellbeing
- To increase life chances
- To support pupils to build relationships and navigate social settings
- To engage pupils with education and increase motivation through a high-quality curriculum
- To provide pupils with enrichment opportunities
- To provide pupils with routines and rules to support self-regulation and behaviour
- To develop career aspirations

Attendance is 'everyone's business' in school

The headteacher, staff and governors are committed to partnering with parents to promote full attendance and support every child's educational development.

Regularly monitor data to identify patterns and trends and to identify pupils with poor attendance/punctuality. Inform LG of children who are consistently absent / late. Develop and maintain a whole-school culture that promotes the benefits of good attendance. Report any reasons pupils disclose for their absence /lateness that is a cause for concern to Attendance Champion and safeguarding leader (if appropriate).
Academy trustees and governing bodies		<ul style="list-style-type: none"> Ensure school leaders fulfil expectations and statutory duties, including to provide staff training. Use data to understand patterns of attendance, compare with other local schools, identify areas of progress and where greater focus is needed, and help school leaders focus support on the pupils who need it. Monitor and review attendance of the LAC cohort and consider how school policies, including behaviour policies, are sensitive to their needs and support good attendance.

At the end of each day, the Attendance Administrator populates a list of absent pupils and shares this with the teachers. This allows teachers to notice patterns in pupils' attendance. The Attendance Champion oversees attendance and receives a weekly report from the Attendance Administrator. The Headteacher keeps a weekly attendance and punctuality log which is displayed in the school office and updated daily by 9 a.m.

Processes for persistent absences, poor punctuality and unauthorised absences are detailed in the following pages.

Central to fostering good attendance is cultivating positive attitudes towards school and learning.

We are committed to maintaining high attendance by ensuring:

- We are a school that children want to come to – where pupils are treated with respect and are valued, where their needs are recognised and addressed, and where all can experience success.
- The Senior Leadership Team are visible at the start of the school day to greet and welcome pupils to the school, and are at hand at the end of the school day to speak to parents should an issue be brought to their attention.

- First interactions with teachers are positive, warm and friendly – teachers have well-planned and organised lessons.
- We provide a calm, orderly and safe environment for pupils– safeguarding in our school is outstanding and pupil voice and surveys reveal pupils are happy and feel safe. Pupils know that they can approach any teacher to discuss their worries, and can identify the safeguarding leads in the school.
- The curriculum is rich, interesting and engaging to motivate pupils to come to school to learn.
- A wide range of enrichment activities such as workshops and school trips are planned to supplement the curriculum, further providing pupil motivation to attend school.
- We consistently promote the benefits of, and reward, good attendance. This is through certificates, achievement points, class trophies and badges.
- We communicate attendance expectations clearly and consistently to parents: parents are aware of the school's attendance expectation and the processes for absences and poor punctuality.
- Poor punctuality is recorded (parents have to sign their child in/out at the school office), monitored and followed up by the Attendance Champion.
- Parents are aware that the school will take absences during term time very seriously and will escalate the case to the local authority should the absences be unauthorised.
- We systematically analyse attendance data to identify patterns to target improvement and work effectively with the local authority and other local partners to overcome barriers to attendance.
- That parents/carers know that Mr Adams is the Attendance Champion and can be contacted to help address attendance barriers.
- We support parents to make decisions regarding when their child should return to school following an illness, for example by referring them to school policy and NHS guidance on quarantine duration ('[Is my child too ill for school?](#)' and '[Should I keep my child off school?](#)') NHS guidance – See [Appendix 12](#)).

Training for teachers

Teachers receive training on improving attendance, delivered through National College courses. The courses include, but are not limited to:

- Supporting Pupil Attendance: Experience-Based Strategies to Address the Root Causes of Absence (for primary schools)
- Developing a Pupil-Focused Approach to Attendance and Persistent Absence (for primary schools)
- DfE Guidance on Working Together to Improve School Attendance

Registration of pupils

The Education Act 1996 requires parents or guardians to ensure their children receive efficient, full-time education, either by regular attendance at school or otherwise. An entry must be made in the attendance register at the beginning of registration in the morning and afternoon for all pupils of compulsory school age who are on the school's admission roll.

The school overall attendance target is 97+%.

The Government regards any pupil below 90% as a **persistent absentee**.

ROLES AND RESPONSIBILITIES

Expectations of teachers

All teachers are expected to:

- Register pupils accurately and efficiently at registration. This is within 10 minutes of the beginning of the school day, and then again after the end of lunch break.
- Report pupil attendance and lateness daily.
- Encourage pupils to attend school regularly and ensure all absences are accounted for.

Expectations of pupils

Pupils will be encouraged to:

- Attend school regularly.
- Inform staff if there is a problem that may lead to absences.

Expectations of parents/carers

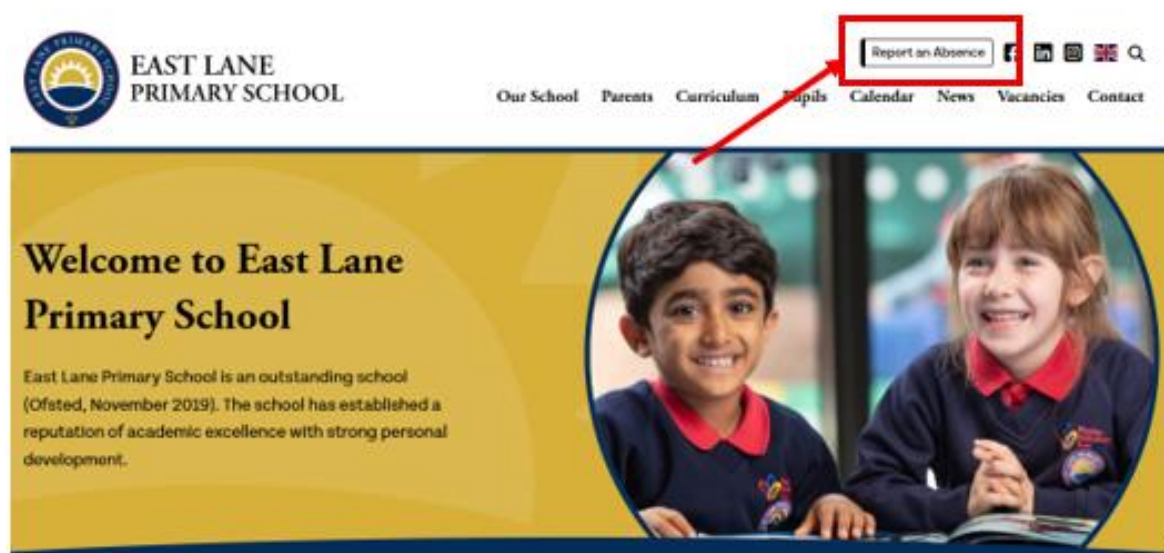

Parents/Carers will be asked to:

- Ensure your child attends school regularly. Absence should only happen when your child is significantly ill and there should be a symptom.
- Telephone or complete the absence form on the school website on the first morning by 8:30 a.m. and each subsequent morning of absence unless the school attendance officer advises otherwise, informing us of the reason for absence; 'ill/unwell' is not sufficient.
- Make all non-emergency medical appointments out of school hours or during school holidays. If a medical appointment falls within the school day, provide evidence of the appointment and notify the school no less than 24 hours in advance.
- Provide medical evidence after the 2nd day of absence where the illness/absence is frequent or prolonged.
- Ensure we have your current contact numbers; this includes all telephone numbers, childminders and emergency contact details.
- Only request exceptional leave in exceptional circumstances and in advance.

The Attendance Champion (Mr Adams, the Deputy Headteacher) will meet with the Attendance Administrator on a regular basis to discuss pupils causing concern and the action to be taken.

REPORTING AN ABSENCE

All absences must be reported via 'Report an Absence' portal on the school website by 7:30 a.m. of each morning. For any queries, email absence@elps.co.uk

East Lane Primary School: Absence Information

If your child is unable to attend school due to illness, please inform the school by 7:30 am on the day of the absence by filling out this form.

A clear reason must be provided for the absence, and in some cases, we may request medical evidence.

For any questions, please contact us at our absence email: absence@elps.co.uk

We expect medical and dental appointments to be scheduled outside of school hours whenever possible. Missing lessons, even for appointments, can negatively affect your child's learning and progress. We do, however, acknowledge that it is not always feasible to arrange appointments outside school time. If your child must attend a medical appointment during the school day, please notify us in advance and provide any necessary appointment documentation.

First Day Calling

'First Day Calling' is important because school absence and safeguarding are closely linked. This practice encourages good attendance helps monitor pupils' wellbeing and safety.

Morning registers/attendance data received at 8.05am

Attendance Administrator to contact parents/carers of absent children.

School Office will check to see if the child was previously marked/sent home with an infectious disease that requires exclusion from school, as it may not necessary for the parent to call in every day, or if the parent has already asked for consent for leave in advance

Priority given to pupils with Child Protection Plans, CAFs, or children who are Children in Need or are vulnerable. Headteacher, DSL and Attendance Champion to be made aware of any absences from these groups.

Response appropriate i.e. reasons for absence acceptable. Reasons noted and the relevant staff members are informed.

The school's Attendance Champion and the Education Welfare Officer may be informed if a child's attendance is being monitored

Unable to make contact/response is inappropriate and causes concern for the welfare of the child

The Designated Safeguarding Lead (DSL) and Deputy Safeguarding Leads (DDSL) are informed as soon as possible

Social Care should be contacted if pupil has a Child Protection Plan or is known to have an allocated social worker, or is deemed at risk. The Lead Professional should be contacted if a child has a CAF

DSL/DDSL reviews information. A decision will be made to either make a home visit or to contact Brent Family Front Door/MASH/Police to request a welfare call

Analysing attendance data

The school Attendance Champion (AC) will analyse attendance and absence data weekly to identify pupils that need additional support with their attendance. This analysis will allow the school to provide targeted support to these pupils and their families. The AC will have an overview of attendance in the school and can look at historic data (pupils' attendance in previous terms and years) to support the identification of emerging patterns of attendance and absences. From this, the AC can develop strategies to appropriately address these patterns.

The AC will also share the data with staff members concerned; this targeted approach involves providing regular attendance reports to class teachers and other school leaders to facilitate discussions with pupils and their families. The AC will oversee, monitor and evaluate the impact of any interventions put in place in order to assess their effectiveness in improving attendance, modify them where needed, and use the data to inform future strategies.

Arrangements for monitoring and evaluation

The school will:

- Follow up unexplained absences by phone call, email, text message and letters, as necessary.
- Telephone all listed contacts on a pupil's records if the number one contact is unobtainable.
- Remind parents/carers of the importance of regular attendance and punctuality via newsletters and the school website.
- Ensure parents know how to access their child's attendance record on SIMS.
- Publish each child's attendance rate on her/his Annual School Report (Reception– Year 6).
- Inform parents if we have concerns regarding their child's attendance and punctuality. Children with 90% attendance or less, whatever the reason for the absence, are classified as persistent absentees.
- Liaise with LA if concerned about a pupil's attendance and seek multi-agency support where required.

When attendance becomes a concern

The school will:

- In the first instance, send a Stage 1 Attendance Letter ([Appendix 2](#)) via email to all pupils whose attendance drops below 97%. A Stage 2 Attendance letter is sent if attendance continues to fall ([Appendix 3](#)). If attendance then falls below 90%, the school will send, via email, a Stage 3 Attendance Letter ([Appendix 4](#)).
- If the attendance does not improve, make an immediate referral to the Local Authority Attendance Officer to highlight the child's attendance concerns.

Persistent Absence

Once a child's attendance falls to 90% for whatever reason, he/she is automatically defined by the Department for Education (DfE), irrespective of the reason for absence, as a Persistent Absentee.

Persistent absence is a serious problem for pupils. Much of the work they miss when they are off school is never made up; these gaps in their learning leave children at a considerable disadvantage for the remainder of their school career. Statistics show a direct link between poor attendance and under-achievement, particularly at GCSE. ([Appendix 1: School attendance in the real terms](#)).

Persistent absence is well below our expectations and, as such, the school will work in partnership with the parent to improve matters. In some cases, parents might be invited to agree a 'Parenting Agreement/Contract/Attendance Improvement Plan' with the school as a way of managing improvement.

Authorised Absence

Some absences are allowed by law and are known as "authorised absences". For example: if a child is ill and the school has been notified.

Other authorised absences, such as for a family bereavement or for religious observance are classed as exceptional leave and a form must be completed for the absence to be authorised.¹

¹ If you wish to apply for exceptional leave you will need to request a form from the school office and provide evidence for the exceptional absence.

Where a family has suffered bereavement within the extended family, 2 days will be authorised leave and any subsequent days will be recorded as unauthorised, unless an arrangement has been made with the school.

In addition to the exceptional leave form, the school will require copies of documentation to support your application of exceptional leave, e.g. copies of flight tickets, medical letters, etc.

Please note that the outcome of a request for absence is only granted after a meeting with the Attendance Champion.

Unauthorised Absence

There are times when children are absent for reasons which are *not* permitted by law. These are known as “unauthorised absences”. Examples of unauthorised absence are:

- Waiting for a delivery or repair
- Going for a family day out/going shopping
- Interpreting or supporting a parent at a meeting
- Sleeping in after a late night or late flight
- Because it is your child’s birthday
- Term time holiday or visiting relatives abroad (term dates are posted on the school website)
- Parent’s illness (other than in an emergency)
- Where there is no explanation for an absence or the school considers the reason given for the absence unsatisfactory.
- Absence following or prior a period of school closure (at the end and beginning of terms and half terms) or authorised leave unless satisfactory evidence to justify has been provided
- Because you have visitors

Unauthorised Absences are reported to the Local Authority. The School Attendance Service may contact you where unauthorised absence continues to be a problem. The school will then work in partnership with you until matters improve.

SEN and Disadvantaged children

Identified pupils with specific medical, therapy or Special Educational needs, who have a high level of absence, will be supported by the following strategies:

- Weekly monitoring of attendance and absence
- Working with the Local Authority to record such absences as authorised to reflect attendance as good as can be expected for these pupils and the school
- Provide home visits where appropriate
- Recognise that some pupils are not ‘available for learning’ and work with the LA and other agencies to allocate appropriate provision which may not be within our school.

Term Time Exceptional Leave of Absence

Amendments to the 2006 School Attendance Regulations make it clear that a Headteacher may not grant any exceptional leave of absence during term time for holidays. Exceptional leave is only granted in exceptional circumstances (e.g. if there is an emergency) at the discretion of the Headteacher and in accordance with the school policy as agreed by the governing body. There is no entitlement to time off during term time.

If you wish to apply for exceptional leave you will need to request a form from the school office via email and provide evidence for the exceptional absence.

Please note that absence taken which has not been authorised could be liable for a fixed penalty fine by the local authority and that extended absences without permission may put your child’s place at East Lane Primary School at risk. (See link: [Penalty Notice Information](#))

Children Missing Education

In accordance with the DfE Children Missing Education Statutory Guidelines 2016, schools must monitor pupils’ attendance through their daily register. Schools should agree with their local authority the intervals at which they will inform local authorities of the details of pupils who fail to attend regularly, or have missed ten school days or more without permission. Schools should monitor attendance closely and address poor or irregular attendance. It is important that pupils’ poor attendance is referred to the local authority.

Where a pupil has not returned to school for ten days after an authorised absence or is absent from school without authorisation for twenty consecutive school days, the pupil can be removed from the admission register after making 'reasonable enquiries' to establish the whereabouts of the child. This only applies if the school does not have reasonable grounds to believe that the pupil is unable to attend because of sickness or unavoidable cause.

Monitoring attendance is an essential part of safeguarding children at East Lane. In accordance with the Child Protection Policy 2017, we shall notify Social Care if there is an unexplained absence of more than two days of a pupil who is on the child protection register.

See [Appendix 8](#) for the CME flowchart.

Attendance Rewards

We celebrate 100% attendance each term by awarding every child with a certificate and a badge. During Phase Assemblies, trophies are awarded to the class with the highest attendance of the week.

Punctuality

It is important to be on time as the first part of the school day is used to give out instructions or organise school-work for the rest of the day.

School Times

7:50 am – 2:30 pm
(33 hours 20 mins per week)

Late Arrivals

From 8:00am the pedestrian gates will be closed – any pupil who is late will be sent to the school office where their parent/carer must sign them in.

Children that are not in class on time for the register will be marked late (L code).

All gates will be closed at 8:00am and registers taken by 8:05am. By 08:10 the Attendance Administrator creates the absence list and checks are conducted before calling parents/carers for reasons for absence.

Parents remain responsible for their child's punctuality. Late arrival after registration closes at 8:05 a.m. will be marked as 'Late' (L code). You will be asked to provide a reason when you bring your child to the school office. Consistently arriving late to school can have longer-term academic effects. Late arrivals are disruptive to the whole class and is often embarrassing for the child.

All lateness is recorded daily. The number of minutes late and the reason for lateness, if known, will also be recorded. This information can be made available to the courts in the form of a report should a prosecution be the outcome of repeated lateness.

Families of children who receive more than 5 late marks per half term will receive a warning letter (See [Appendix 5](#)). Persistent lateness will be referred to the Local Authority Attendance Officer. A meeting may also be arranged with the Attendance Champion (Mr Adams, Deputy Headteacher).

See the full list of register attendance and absence codes in the [Appendix 11](#).

Collection from School

Please collect your child promptly at the end of the school day or from any after school activity. Where late collection is persistent and/or significantly late, the school is obliged to take any uncollected pupil to a place of safety i.e. the local police station. We will share concerns with other agencies including the Brent Family Front Door (formally Social Services). If you are running late or unavoidably delayed, please keep the school office informed.

Pick Up Arrangements

Please inform the school office at the start of the school day if there are any changes to your regular pick up arrangements. This can be done by phone or via email to the school office.

Leavers

If your child is leaving our school (other than to go to High School) parents are asked to complete a Leavers Form ([Appendix 9](#)) available by request via email from the school office. This asks for comprehensive information about new school details, address details and a leaving date.

Child Missing Education

When pupils leave and we do not have information about where they have gone, they are considered to be a 'Child Missing Education'. This means that the Local Authority has a legal duty to carry out investigations, which will include liaising with Brent MASH/ Brent Family Front Door, Educational Welfare Service, the Police and other services to try and locate your child. By giving us the above information, these investigations can be avoided.

Off-Rolling

Parents who remain resident locally can only withdraw their children from the school if they have a confirmed start date at another school or are electing to educate their child at home (Elective Home Education). If the latter, this must be confirmed in writing to the school and LA by the parent. Pupils remain registered at school until such conditions are satisfied.

See [Appendix 10](#) for reasons for deletion of a pupil from the admission register.

Legal Note

Parents have a legal duty to ensure the regular and full-time attendance at school of registered pupils (Education Act 1996). This policy is based on the law and on Best Practice guidance produced by the DFE (Department for Education) and the Local Authority. The School Attendance Service aims to work with schools and families to promote good attendance and avoid legal action. However, in some cases, parents are prosecuted (taken to court) or have to pay a Fixed Penalty (fine) if these absences continue.

APPENDIX 1: ATTENDANCE LEVELS

99% & 100%	Excellent
97% - 99%	Very good and at expected level Keep it up
91% - 96%	Careful - Your child can't afford to have any more time off. Try and get the % higher. If not , they could begin to struggle in their learning and will not achieve the progress they are capable of.
Below 90%	This is the new threshold. If you child's attendance is below 90% - your child is NOW known as a P.A. Persistent Absentee
85% - 90%	This could be up to 20 days = 4 weeks of learning missed by July!
Below 85%	This is completely unacceptable! Your child has possibly missed up to 30 days of school. This is 6 weeks' worth of learning!
<p>The LA can issue a fine to you if you do not get your child to school. As a parent/carer it is your responsibility to do this.</p>	
<p>Give your child the start in life they deserve & bring them to school.</p>	

APPENDIX 2: ATTENDANCE LETTER: STAGE 1

Date:

Re: Child name and class

Current Term Attendance: %

Dear Parent/Carer,

I am writing to express my concern at your child's attendance level. The school expects each pupil to meet the attendance target of 97% and above. It is essential that your child meets the School's expectations in regards to attendance to ensure that they can achieve their full potential here.

{Pupil Name} has been absent for {#} days of school, which is equal to {#} lessons missed so far this school year.

Government research tells us there is a high correlation between attendance and academic attainment. Please be advised that under **Section 7 Education Act 1996, parents have a duty to secure a full-time education for their children of compulsory school age whether at school or otherwise.**

The school will no longer be able to authorise absences without sufficient evidence. Whilst I understand that absences are sometimes unavoidable, **please arrange medical and dental appointments outside of school hours** and try to minimise any periods of absence. The NHS guidance [Is my child too ill for school? - NHS \(www.nhs.uk\)](https://www.nhs.uk/conditions/when-to-see-a-doctor/) is designed to support parents in their decision making about mild illness. Even when absences are authorised by the School, they will still affect your child's attendance level.

If your child's attendance continues to fall, you will be required to attend a meeting at the school. If you are experiencing any difficulties that may be affecting your child's attendance, please contact Mr Adams or Ms Malik to discuss this.

Thank you for your cooperation.

Yours sincerely,

Mr Adams

Deputy Headteacher

APPENDIX 3: ATTENDANCE LETTER: STAGE 2

Date:

Re: Child name and class

Current term attendance: %

Dear Parent/Carer,

According to our records your child's attendance has dropped to ----- %. This is equal to {#} days of school missed, or {#} lessons missed, so far this school year.

The East Lane Primary School attendance target for this academic year is 97%.

Any child with attendance lower than 90% is considered to have persistent absence and is referred to the Local Authority.

Thank you for communicating with the school about your child's absence. We shall now be asking you to provide medical evidence when your child is unable to attend the school due to illness. This can be a prescription, hospital letter or GP appointment text.

Please remember that we are able to administer antibiotics in school.

East Lane Primary School reserves the right to unauthorised absences when dates are frequently connected to weekends/school holidays or late marks occur after the register has closed.

Please contact us if there are any particular circumstances which have had or might continue to have a bearing on your child's attendance and punctuality.

We will be in touch again to request a meeting with you if we have ongoing concerns about your child's attendance.

Yours sincerely,

Mr Adams

Deputy Headteacher

APPENDIX 4: ATTENDANCE LETTER: STAGE 3

Date:

Re: Child name and class

Dear Parent/Carer,

I am writing to express our serious concern regarding **[Child's Name]'s attendance**, which has now fallen below **90%**. This means that your child is classed as a **persistent absentee** according to the Department for Education (DfE) definition.

According to our records your child's attendance has dropped to ----- %. This is equal to {#} days of school missed, or {#} lessons missed, so far this school year.

The East Lane Primary School attendance target for this academic year is 97%.

Regular and punctual attendance at school is essential for every child to make good progress and to achieve their full potential. At East Lane Primary School, we set a minimum attendance target of **97%** for all pupils. Unfortunately, [Child's Name]'s current attendance stands at **[insert current %]**, which is significantly below this target.

We have previously written to you regarding attendance concerns, but there has been **insufficient improvement**. As a result, this letter represents **Stage 3 of our Attendance Procedure**.

Next Steps

You are required to attend a **School Attendance Meeting** on:

Date: [insert date]

Time: [insert time]

Venue: [insert venue]

The purpose of this meeting is to discuss the reasons for [Child's Name]'s poor attendance, agree a plan to improve it, and ensure that any necessary support is put in place. A representative from the **Brent Education Welfare Service (EWS)** may also attend.

Please note that if [Child's Name]'s attendance does not improve, the matter may be referred to the **Local Authority for further action**, which could include a **Penalty Notice** or legal proceedings under Section 444 of the Education Act 1996.

We want to work with you to ensure [Child's Name] attends school regularly and benefits fully from their education. If there are any medical or personal circumstances that are affecting attendance, please bring supporting evidence (e.g., medical notes or appointment letters) to the meeting.

Thank you for your cooperation. We look forward to working together to support [Child's Name] in improving their attendance.

Yours sincerely,

APPENDIX 5: PUNCTUALITY LETTER

Date:

Re: Child name and class

Punctuality Concern

Dear Parent/Carer,

According to our records, your child has arrived late to school on ----- occasions so far this term/academic year. Frequent lateness is detrimental to your child's education by creating gaps in his/her learning and is disruptive to the continuity of learning for the whole class.

Please support your child to establish good habits in order to access the full curriculum and reach his/her potential. Your child should arrive in school by 7:55 am.

Learning begins immediately after registration and children can quickly fall behind. Even one missed day or lesson can make it hard to catch up.

If you are experiencing any difficulties, please get in touch and we will do our best to support you and your family so that your child can arrive in school on time.

Thanking you in advance for your efforts and cooperation in this matter.

Yours sincerely,

Mr Adams

Deputy Headteacher

Thank you for your continued effort and cooperation in this matter.

APPENDIX 12: NHS GUIDANCE – IS MY CHILD TOO ILL FOR SCHOOL?

(April 2024, next review date is Apr 2027)

Is my child too ill for school?

It can be tricky deciding whether or not to keep your child off school, nursery or playgroup when they're unwell.

There are government guidelines for schools and nurseries about [health protection and managing specific infectious diseases at GOV.UK](#). These say when children should be kept off school and when they shouldn't.

If you do keep your child at home, it's important to phone the school or nursery on the first day. Let them know that your child won't be in and give them the reason.

If your child is well enough to go to school but has an infection that could be passed on, such as a cold sore or head lice, let their teacher know.

What to do about other conditions

High temperature

- If your child has a [high temperature](#), keep them off school until it goes away.

Feeling anxious or worried

It's normal for children to feel a little anxious sometimes. They may get a tummy ache or headache, or have problems eating or sleeping.

- Avoiding school can make a child's anxiety about going to school worse. It's good to talk about any worries they may have such as bullying, friendship problems, school work or sensory problems. You can also work with the school to find ways to help them. If your child is still struggling and it's affecting their everyday life, it might be good to talk to your GP or school nurse. [Find information and advice about how to help children with anxiety](#)

Coughs and colds

It's fine to send your child to school with a minor [cough](#) or [common cold](#). But if they have a high temperature, keep them off school until it goes.

- Encourage your child to throw away any used tissues and to wash their hands regularly.

Chickenpox

If your child has [chickenpox](#), keep them off school until all the spots have crusted over.

- This is usually about 5 days after the spots first appeared.

Cold sores

There's no need to keep your child off school if they have a [cold sore](#).

- Encourage them not to touch the blister or kiss anyone while they have the cold sore, or to share things like cups and towels.

Conjunctivitis

You don't need to keep your child away from school if they have [conjunctivitis](#), unless they are feeling very unwell.

- Do get advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.

COVID-19

If your child has mild symptoms, such as a runny nose, sore throat, or slight cough, and feels well enough, they can go to school.

- Your child should try to stay at home and avoid contact with other people if they have [symptoms of COVID-19](#) and they either:
 - have a high temperature
 - do not feel well enough to go to school or do their normal activities

What to do if your child has tested positive

Your child is no longer required to do a COVID-19 rapid lateral flow test if they have symptoms. But if your child has tested positive for COVID-19, they should try to stay at home and avoid contact with other people for 3 days after the day they took the test.

Ear infection

- If your child has an [ear infection](#) and a high temperature or severe earache, keep them off school until they're feeling better or their high temperature goes away.

Hand, foot and mouth disease

If your child has [hand, foot and mouth disease](#) but seems well enough to go to school, there's no need to keep them off.

- Encourage your child to throw away any used tissues straight away and to wash their hands regularly.

Head lice and nits

There's no need to keep your child off school if they have head lice.

- You can treat [head lice and nits](#) without seeing a GP.

Impetigo

If your child has [impetigo](#), they'll need treatment from a pharmacist or GP, often with antibiotics.

- Keep them off school until all the sores have crusted over and healed, or for 48 hours after they start antibiotic treatment.
- Encourage your child to wash their hands regularly and not to share things like towels and cups with other children at school.

Measles

If your child has [measles](#), they'll need to see a GP. Call the GP surgery before you go in, as measles can spread to others easily.

- Keep your child off school for at least 4 days from when the rash first appears. They should also avoid close contact with babies and anyone who is pregnant or has a weakened immune system.

Ringworm

- If your child has [ringworm](#), see your pharmacist unless it's on their scalp, in which case you should see a GP. It's fine for your child to go to school once they have started treatment.

Scarlet fever

- If your child has [scarlet fever](#), they'll need treatment with antibiotics from a GP. Otherwise they'll be infectious for 2 to 3 weeks.
- Your child can go back to school 24 hours after starting antibiotics.

Slapped cheek syndrome (fifth disease)

- You don't need to keep your child off school if they have [slapped cheek syndrome](#) because, once the rash appears, they're no longer infectious. But let the school or teacher know if you think your child has slapped cheek syndrome.

Sore throat

- You can still send your child to school if they have a [sore throat](#). But if they also have a high temperature, they should stay at home until it goes away.
- A sore throat and a high temperature can be symptoms of [tonsillitis](#).

Threadworms

- You don't need to keep your child off school if they have [threadworms](#). Speak to your pharmacist, who can recommend a treatment.

Vomiting and diarrhoea

- Children with [diarrhoea or vomiting](#) should stay away from school until they have not been sick or had diarrhoea for at least 2 days (48 hours).

Should I keep my child off school?

Yes

Until...

Chickenpox	at least 5 days from the onset of the rash and until all blisters have crusted over
Diarrhoea and Vomiting	48 hours after their last episode
Cold and Flu-like illness (including COVID-19)	they no longer have a high temperature and feel well enough to attend. Follow the national guidance if they've tested positive for COVID-19.

Measles	4 days after the rash first appeared
Mumps	5 days after the swelling started
Scabies	they've had their first treatment

APPENDIX 13: LOCAL AUTHORITY SCHOOL ATTENDANCE PANEL

What is the purpose of the School Attendance Panel meeting?

The purpose of the School Attendance Panel meeting is for you and your child to meet with Representatives from the Local Authority to identify the reasons for absence and to work together to improve attendance.

What will happen at the School Attendance Panel meeting?

The reasons for absence will be identified and different strategies to improve attendance will be considered:

- A supportive action plan in the form of a parenting contract will be agreed.
- An attendance target for improvement will be set.
- The student's attendance will then be closely monitored for a period of 12 school weeks.

If the parent fails to attend without reasonable justification this could result in a Penalty Charge Notice being issued to parents/carers or court proceedings under the 'Single Justice' process. Under section 444, a Penalty Charge Notice will be issued for £60 to parents. This will be issued to both parents even if one of the parents does not live with the student. Each parent will have 21 days to make payment. This will rise to £120 if the initial fine is paid between 22 and 28 days. The payment must be made directly to the Local Authority. There is no right of appeal by parents against the penalty charge notice.

Failure to pay the Penalty Charge Notice Fine will result in further legal action being taken by the courts with possible outcomes of a fine (maximum is currently £2,500), a community order or three months in prison.

What happens next?

Whilst the intention of the School Attendance Panel meeting is that the child's attendance will improve, if the attendance deteriorates by the target review date the Local Authority may recommend legal action is taken. This could include prosecution in the Magistrates' Court, Education Supervision Orders or Parenting Orders.

Issuing Penalty Charge Notices: Each parent receives a penalty charge notice for each child who has unauthorised absence. The penalty is £60 or £120 depending on how soon payment is made. So, if there are two parents and two children the total penalties could be up to £480. Failure to pay the penalty charge notices in Sefton may result in prosecution.

Taking parents to court for unauthorised absence: Under the Education Act 1996 Section 444(1), the court can fine each parent up to £1000 per child, order payment of prosecution costs and/or impose a Parenting Order.

Taking parents to court for persistent unauthorised absence: Under the Education Act 1996 Section 444(1A), the court can fine each parent up to £2,500 per child, order payment of the prosecution costs, impose a Parenting Order and/or sentence you to a period of imprisonment of up to three months.

Under the 1989 Children Act the Local Authority has the power to issue an Education Supervision Order (ESO) and place a child under their supervision on the grounds that the child is not being 'properly educated' and is in danger of 'significant harm'. The Local Authority can issue an order if the child is persistently absent from school. The Local Authority appointed 'Supervisor' can give 'directions' to the parents on how the child should be educated and work with the parent to ensure the child attends school regularly.

Under the 2003 Anti-Social Behaviour Act, if a student continues to have attendance issues after a parent has been convicted, the courts can also issue a Parenting Order. This legally requires the parents to participate in a programme of parenting support and counselling. If the unauthorised absence continues, a new case will be brought against the parent/s but previous parental failure to engage with the school and Local Authority can be cited.
