

SIMS Parent App – Keeping you up to date with your Child/ren’s key school information

Welcome to our SIMS Parent App – which will help you to keep up to date with important information about your child’s school life at East Lane Primary School. You’ll find information relating to your child’s attendance, timetable, behaviour & achievement and end of term/year school reports, as well as a reminder of key dates and additional secure online links.

If you have more than one child attending at any one of Wembley Multi-Academy Trust’s schools, you will only need to set up one account and will see all your children’s key details within the one login account.

The following steps will guide you through the process so that you can quickly access information.

Step 1 - Check Your Emails

You will have received an email from the school with the subject

"[School] invites you to SIMS Parent".

If you cannot find this email, please check your SPAM/Junk folder.

Click the Accept Invitation button in the email that you have received.

Accept Invitation

Please copy your invite code as you will need this as part of the registration process.

Step 2 - Activate Your Account

To activate your account using your External Provider, click the "Register with an External Account" button.

Please do not enter your Email Address or click the Next button (this is for creating a SIMS ID account).

The Invitation Code field should already be filled with the unique code from your email. If not, please refer back to the invitation email in your Inbox

If you want to register your account using your Apple ID, Facebook, Google, Microsoft/O365 External account please don't enter your email details shown in step 2, above but instead click on the bar 'Register with an External Provider' and then select your chosen external provider icon.

Step 3 - Account Registration

Click the external provider that you wish to use to sign in.

- Apple ID
- Facebook
- Google
- Microsoft / O365
- Twitter

Do not enter anything in to the Username and Password fields on this screen as this is for SIMS ID accounts.

SIMS ID Live needs your permission to:

- View your email address**
SIMS ID Live will be able to read your primary email address.
- View your basic profile**
SIMS ID Live will be able to see your basic profile (name, picture, user name).

Accepting these permissions means that you allow this app to use your data as specified in their terms of service and privacy statement. You can change these permissions at <https://microsoft.com/consent>. [Show details](#)

No Yes

Step 5 - Registration

Your email address and third-party provider are displayed so you can confirm you have used the intended credentials. Paste your personal invite code from your invitation email into the Invitation Code field. Click the Register button.

Registration

You will have received a new service invite code from either SIMS or from your school administrator. Please enter the code below and tap or click Register.
